INCORPORATED COUNTY OF LOS ALAMOS SERVICES AGREEMENT

This **SERVICES AGREEMENT** (this "Agreement") is entered into by and between the **Incorporated County of Los Alamos**, an incorporated county of the State of New Mexico ("County"), and **All-Rite Construction, Inc.**, a New Mexico corporation ("Contractor"), to be effective for all purposes February 2, 2022.

WHEREAS, County is in need of On-Call Facilities Construction Services; and

WHEREAS, the County Purchasing Officer determined in writing that the use of competitive sealed bidding was either not practical or not advantageous to County for procurement of the Services and County issued Request for Proposals No. 22-18 (the "RFP") on August 29, 2021, requesting proposals for On-Call Facilities Construction Services, as described in the RFP; and

WHEREAS, Contractor timely responded to the RFP by submitting a response dated September 23, 2021 ("Contractor's Response"); and

WHEREAS, based on the evaluation factors set out in the RFP, Contractor was the successful Offeror for the services listed in the RFP; and

WHEREAS, based on the evaluation factors set out in the RFP, Contractor was one (1) of five (5) successful Offerors for the services listed in the RFP; and

WHEREAS, the County Council, as part of a multiple-source award, approved this Agreement, AGR22-18b, AGR22-18c, AGR22-18d, and AGR22-18e at a public meeting held on February 1, 2022; and

WHEREAS, the aggregate compensation between this Agreement and Agreements AGR22-18b, AGR22-18c, AGR22-18d, and AGR22-18e shall not exceed the sum of FOUR MILLION DOLLARS (\$4,000,000.00), excluding New Mexico gross receipts taxes ("NMGRT"); and

WHEREAS, Contractor shall provide the Services, as described below, to County.

NOW, THEREFORE, for and in consideration of the premises and the covenants contained herein, County and Contractor agree as follows:

SECTION A. SERVICES:

1) General.

- a) Contractor shall supply on-call facilities construction, installation, maintenance, and replacement work to the County on an as-needed basis (hereafter "Services") at the prices listed in Exhibit "A," attached hereto and made a part hereof for all purposes. County reserves the right, at its sole discretion, to separately quote or bid any construction project pursuant to the provisions of this Agreement. Contractor shall supply all materials,

including but not limited to, personal protective equipment ("PPE") and Occupational Safety and Health Administration ("OSHA") required equipment and supplies, construction materials, and specialty rental equipment necessary to complete the Services in accordance with the Rate Schedule (Exhibit "A").

- b) The Services shall be conducted in strict compliance with the manufacturer's requirements, industry standards, and applicable local, state and federal codes and requirements, and by workers trained and properly licensed to perform the work.
- c) Contractor shall provide for all clean-up for its operations and control of all construction debris. All work areas shall be maintained in a neat and workmanlike manner. All construction debris shall be removed and disposed of at an approved waste disposal site. Contractor shall protect staff and the public from the work.

2) Task Orders.

- a) County's Project Manager ("Project Manager") shall request the Services of Contractor for individual or multiple projects through a Request for Quote(s). Each Request for Quote shall identify the work and Services to be performed and a timeline for Project completion. A Request for Quote may be as detailed as County finds necessary to assure appropriate oversight of the services to be performed. A sample task order is provided in Exhibit "B," attached hereto and made a part hereof for all purposes. Project Manager shall address the following items for each Request for Quote:
 - i) Expected Project Scope.
 - ii) Requirements for as-built drawings, submittals, etc.
 - iii) Site access and working hours.
 - iv) User impacts if any.
 - v) Phasing of the Work.
 - vi) Security requirements.
 - vii) Utility interruptions.
 - viii) Permits that may be required. Ultimate compliance with permitting requirements lies with Contractor.
 - ix) Protection of County property.
 - x) Debris and trash disposal.
 - xi) Fire alarm impacts.
 - xii) Noise and dust control.
 - xiii) Environmental Impacts: Lead, PCB, SWPPP, or other special requirements.
- b) Upon the County's issuance of a Request for Quote, Contractor shall provide a written, itemized Quote for the task(s), work, and/or services requested by Project Manager ("Quote"), within fifteen (15) working days of receipt of the request. The Quote shall provide, in writing, the proposed material costs, labor hours, and labor type necessary to complete the Task Order. Contractor's Quote shall address each of the items noted above in Section A(2)(a) and other items as deemed necessary for County's consideration. Cost shall conform to the rates detailed in Exhibit "A." Any progress billing and payment shall be provided by Contractor in the Quote and is subject to approval by Project Manager. Preparation and work performed to prepare each of the proposals shall be considered as incidental to this Agreement and not compensable.

- c) If Contractor's Quote is acceptable to County, Project Manager shall provide Contractor with written approval ("Approved Task Order"). Contractor is authorized to begin work only upon receipt of the Approved Task Order.
- d) If the Contractor is unable to provide, in the determination of the Project Manager, the full scope of the Proposed Task Order work, the Project Manager may alter, change, modify, or cancel the Request for Quote before work commences. The Approved Task Order shall be adjusted only upon the written agreement of the County after a finding that a change to the task order is necessary and justifiable. Contractor's failure to reasonably estimate the cost of completing the task in the first instance shall not be a justification for modifying the Approved Task Order. Modifications to the maximum amount for the Approved Task Order shall be agreed upon by County prior to Contractor continuing the performance of Services. In no event shall the total of the maximum amount for all Approved Task Orders exceed the maximum amount of compensation set forth in this agreement unless modified by County. Unanticipated events, such as natural phenomena, shall not form the basis for additional compensation to Contractor.
- e) Contractor must take any and all actions to timely complete the work agreed to in the Approved Task Order, including but not limited to subcontracting the work and renting equipment. Costs for any Subcontractors shall be paid to Contractor at the same rate as Contractor. All subcontractor costs shall be included in the Contractor's invoicing with Subcontractor itemized costs.
- f) This Agreement does not provide Contractor with a guarantee that County will accept Contractor's Quotes and award Contractor Approved Task Orders. County reserves the right, at its sole discretion, to separately quote or bid any construction project. County's issuance of a Request for Quote is not a guarantee of work to Contractor. County, at its sole discretion, shall determine when Contractor's Services are required and shall issue written Request for Quotes as needed.

3) Pay of Prevailing Wages and Bond Requirements

- a) Individual Task Orders which exceed the state prevailing wage threshold shall be subject to a Wage Rate Decision. County shall obtain and provide the Wage Rate Decision and issue it to the Contractor prior to the preparation of the Task Order.
- b) Contract Performance and Payment and Performance Bonds: When an individual Task Order is awarded in excess of the state prevailing wage threshold, the following bonds or security shall be delivered to the County and shall become binding on the parties upon the execution of the individual Task Order. A sample Payment Bond and Performance Bond are attached as Exhibit "C":
 - i) A performance bond satisfactory to the County, executed by a surety company authorized to do business in the state or otherwise secured in a manner satisfactory to the County, in an amount equal to 100 percent of the price specified in the individual Task Order; and
 - ii) A payment bond satisfactory to the County, executed by a surety company authorized to do business in the state or otherwise secured in a manner satisfactory to the County, for the protection of all persons supplying labor and material to the contractor or its subcontractors for the performance of the work provided for in the individual Task Order. The bond shall be in an amount equal to 100 percent of the price specified in the individual Task Order.

SECTION B. TERM: The term of this Agreement shall commence February 2, 2022, and shall continue through February 1, 2029, unless sooner terminated, as provided herein.
