Leisure Lagoon Potential Art

Recommended Action

I move that the APP board move forward with selecting an artist and developing art ideas for the space identified in the new kiddie/leisure pool space at the Aquatic Center.

Body

Member Mackey is the lead for this project. Steve Huebner updated the board at the Oct. 22nd meeting, stating that the Kiddie Pool construction is scheduled to begin on Feb. 2021 and be completed in Feb. 2022. As the project manager, Steve expressed that if APP is going to consider putting art in this location, that a firm design would be needed by Aug. 2021. Initial ideas from the board were a mural, a mosaic of tile or other material, Ceramic art such as fish, similar to the kites in the White Rock Library, and Sea Creatures. Board is to brainstorm ideas for this project with additional information of materials recommended for an enclosed aquatic center environment. At the Dec. 17, 2020 meeting Member Mackey presented two potential artists for the interior, Amanda Jaffe, and, Collette Marie for the exterior of the building. Member Mackey was tasked with further discussing with these artists further details and rough estimate costs for potential art.

At the Jan 2021 meeting Member Mackey provided addition details of the proposed pieces. The Exterior would be a concrete formed lined piece, proposed to be placed above the new windows of the pool. The Interior is proposed to have 5 pieces, each sitting underneath the new windows of the pool, and would need to be sunk at least 2 inches into the wall. Both proposals need extreme coordination with the project manager, Steve Huebner for feasibility in construction timeline and contractor capability an scope. Staff Liaison, Katherine Hudspeth, reached out to Steve Huebner with a summary of Jan. 2021 discussion, asking several questions, Member Mackey was cc'd.

At the Feb. 2021 meeting New Chair Mackey provided additional details. The exterior of the Aquatic Center will be concrete block, not form-lined, as previously through, therefore the stamped concrete is not a viable idea. Further research needs to be done for any exterior ideas. As for the interior, Amanda Jaffe is excited for the potential project, and does need to figure out how the pieces would be mounted, since they can't be sunk into the wall. She going to send samples, attn: Katherine at the Muni Bldg., and does plan to use thick tiles (2in), would use 2in angle iron and adhesive to mount.

Safety concerns were brought up at the June 2021 by county staff, and the board was asked to consider other ideas for art for the facility. Chair Mackey requested a meeting with the CSD

Director to discuss. Chair Mackey was to gather additional information from the artist before any additional action was taken.

At the September 2021 meeting the board voted to move forward with gathering public comment via SurveyMonkey about the 5 mosaic panels. The Survey ran from October 8, 2021 - October 28, 2021. Survey results will be presented during this meeting and attached to the minutes.

Los Alamos County Airport Art

Recommended Action

I move that the APP board move forward with developing art ideas, researching soft art and artists for the Los Alamos County Airport.

Body

The Los Alamos County Airport has undergone renovations and has requested that the APP Board consider looking for “soft” art that will reduce the echo in the building. At the September 2021 APP meeting, the board agreed to change their focus of finding art for North Mesa to start the process of finding soft art for the Los Alamos County Airport.

Sunflower

Body

The Sunflower donation, restoration and installation was approved by County Council on Sept. 29th, and the Formal Donation Acceptance form was completed Oct. 21, 2020. Sunflower is in possession of Los Alamos County, and Katherine is working with Steve Huebner and Procurement to establish an RFP for the work needed to be done. On April 2nd, Katherine met with Steve Huebner and now has the draft RFP in her possession. Edits will be made to align with the scope of the project and will then be sent to procurement for review, and then to legal. As of June 7th, the RFP for the Sunflower project is ready to be advertised, however Public Works would like to wait a month so that this project can be assigned to Steve's replacement. Therefore, this project is on hold until around July 7th. Steve's replacement, Sarah, started with the County in late September, Katherine will be working with her to get the project resumed.

Art Collection Maintenance

Body

Katherine gave an update on the RFP Process. The RFP for an agreement to maintain the Los Alamos County Art Collection has expired; it ran for a month. The RFP did not receive any responses. A new RFP is being issued and will be readvertised for another month. At the July 2021 Board meeting Staff Liaison, Katherine Hudspeth gave an update that the RFP was again met with no responses. She is working with procurement with a path forward, to identify if the potential budget is too small for what is being asked. Los Alamos County issued an RFI (Request for Information) on Oct. 15, 2021, it is scheduled to run until Nov. 2, 2021. The purpose of the RFI is to gather information from subject matter experts to improve and refine the scope of work prior to reissuing another RFP.
