#	Question/Documented Response
1	<p>Since you are re-applying for this position, you must feel that the Board or Commission actions are worthwhile. What do you consider to be the positive aspects of the position? The negative?</p> <p>positive: getting to know what's going on in PROS, and influence it; good to get citizen input, can dig into greater depth; negative: meetings ask questions, unclear if anything is accomplished</p>
2	<p>What has the Board or Commission accomplished during your term? What have you been able to contribute to the accomplishments that you are pleased with?</p> <p>Fees and use policy, attended equestrian meeting about it</p>
3	<p>What do you believe are the greatest issues facing the Board or Commission for which you've applied and how do you feel this Board or Commission can contribute to the resolution of these issues?</p> <p><i>[Note to interview panel: If the answer to this question appears to be off base with Council's goals or directives, please explore a little more.]</i></p> <p>Golf course, including the back nine; present looks good overall</p>
4	<p>Now that you've served on this board or commission, how do you perceive the role of County Boards and Commissions in local government? Do you have suggestions for better operation of this board or commission? Of operations of the Board and Commission system in general?</p> <p>Discuss at each meeting what the next one or two will be about, to better anticipate board action; expected training when initially added to board, which never happened, maybe COVID is the reason</p>

5	<p>Based on your experience serving on this board or commission, please share your thoughts on the communication methods between this Board and Council? How can we improve?</p> <p>More direction during work plan development; Council should be clear about asking for deliverables; looking forward to in-person</p>
6	<p>Have you attended any training sessions related to your duties and responsibilities as a board member? Is there any training that you feel the County could provide to improve the effectiveness or efficiency of the board or commission system, as a whole, or of board or commission members individually?</p> <p>Haven't attended training, but wants to; would like procedural (e.g., OMA, Robert's Rules) training</p>
7	<p>What suggestions/comments would you like to offer in connection with your Board or Commission service so far?</p> <p>Would like draft agenda packet Friday before; more forecast of upcoming items</p>
8	<p>The purpose of this question is to make sure you are aware that, as a member of a Los Alamos County Board or Commission, your written communications, including e-mails, are public records (even if produced on your personal computer), and as such are subject to the New Mexico Inspection of Public Records Act. If any of these public records are requested for review/inspection under the Act you may need to produce them. Is this a deterrent to your willingness to continue serving on this Board?</p> <p>Comfortable with IPRA - what's going on with county email accounts?</p>
9	<p>If this board decides (or is required) to "live stream" their meeting, will this be a deterrent to your willingness to continue serving on the board?</p> <p>Fine with it</p>
10	<p>Do you have any questions of the interview panel?</p> <p>(none) - already asked whatever questions he has</p>
11	<p><i>[Interview panel: Ask questions you think necessary for clarification of the answers this applicant provided on their application form or during this interview.]</i></p> <p>(none)</p>

Notes

Thank the applicant for their feedback on the B&C system, and their willingness to continue serving as a Board or Commission member.

Parks and Rec

Interests & Experiences

Which Boards would you like to apply for?

Parks and Recreation: Submitted

Why would you like to serve on this particular Board or Commission?

Parks & Rec is something that greatly improves the livability of the community. This is a way to continue the existing amenities and hopefully add to them.

What volunteer or professional activities have you participated in that could apply to this appointment?

I have been on the Parks & Rec board for the past year and wish to continue serving in this way. I have also served for several years on the board of a condominium homeowners association at Copper Mountain, Colorado. I planned a remodel of the lobby and hallways, reviewed the building insurance policy, and prepared the operating budget and long-term reserve analysis.

The time involved may be 10-15 hours per month or more. Are you able to serve the volunteer hours and attend training needed to perform your duties as an appointee?

Yes.

What would you like to accomplish during your tenure on this Board or Commission?
(Please identify any special interests you have that led you to become interested in serving on this Board or Commission.)

My biggest interest in Parks & Rec is in the trail system in the county and surrounding National Forest. I hope to see them maintained and expanded, and with the recent addition of a mini excavator and staff, this is achievable. I want to see the BMX course finally get finished. I also would like to see White Rock receive a larger share of Parks & Rec resources.

Have you had any direct or indirect involvement with this Board or Commission or with the County staff supporting this Board or Commission or County Councilors? If so, please explain.

I have been a member of this board for one year.

Are there any issue or matters, financial or otherwise, that you are now or might become involved in that may come before the Board or Commission for which you seek appointment?

No.

If you have any questions, please contact Barbara Lai at 505-663-3436 or barbara.lai@lacnm.us
