ARTICLE XI. Transportation Board

Sec. 2-281. Purpose.

A transportation board is established to advise the county council and make recommendations regarding improvements in traffic conditions and all modes of transportation within the county. (Ord. No. 02-278, § 2. 10-3-2006)

Sec. 8-282. Duties and responsibilities.

The transportation board shall serve in an advisory capacity to the county council and shall have the following functions, responsibilities, and duties:

1. Review and comment to council on transportation master plans for all modes of transportation.
2. For the purpose of collecting public input, review all major county construction and renovation plans for county transportation facilities (such as, but not limited to, roads, streets, bicycle paths, the airport, sidewalks, transit, and trails) with the purpose of ensuring that all modes of transportation (e.g., pedestrian, bicycle transit, low speed vehicles, and aviation, if appropriate) are adequately treated in such projects.
3. Review and provide input to council, not later than October 15, on any recommended changes to the snow and ice control plan.
4. Review all traffic and transportation matters submitted to the board by the council; and Advise council on ways and means for improving transportation and traffic conditions. For this purpose, when requested by staff or council, the board shall gather public input in ways appropriate to the circumstances, which may include public hearings dedicated to specific topics. (Ord. No. 02-278, § 2. 10-3-2006)

Council Goals and Priority Areas

Enhancing quality of life, economic vitality, environmental sustainability, and racial equity and inclusivity are overarching goals that will be components of all our efforts as we coordinate with Los Alamos National Laboratory and regional partners and plan for appropriate levels of County services.	
Enhancing Communication	
Enhancing communication with the public to promote transparency and strengthen trust in County government.	X
Increasing the Amount and Types of Housing Options	
This includes increasing the variety of housing options for all segments of the community, from affordable to new options for those interested in downsizing or moving closer to central areas of the community and pursuing opportunities for utilization of vacant spaces to address these needs.	X
Protecting, Maintaining, and Improving Our Open Spaces, Recreational, and Cultural Amenities	
Los Alamos County open spaces and cultural attractions are greatly valued by the community and provide opportunities for recreational and economic growth; appropriately allocating resources to ensure their health and sustainability is important to our citizens.	X
Enhancing Support and Opportunities for the Local Business Environment	
This includes appropriately supporting existing businesses, growing new businesses, supporting technology start-ups and spin-offs, and identifying opportunities for utilizing vacant space as a part of these efforts.	X
Supporting Social Services Improvement	
Behavioral, mental, and physical health and social services are important quality of life components; there are key areas where appropriate types and levels of County support could help address current needs	X
Improving Access to High Quality Broadband	
Enabling reliable high-speed broadband service throughout the county by determining appropriate investments (e.g., conduct a community needs analysis, evaluate technical options).	
Investing in Infrastructure	
Appropriately balancing maintenance of existing infrastructure with new investments in county utilities, roads, trails, expanded transit options, facilities, and amenities, which will help improve environmental stewardship, sustainability, and quality of life, while allowing for sustainable growth.
