
General Information

All County Board and Commission members must be residents of Los Alamos County. Lodgers' Tax Advisory Board members, except the at-large community member, do not need to be residents if they are employed/represent an attraction or hotel.

Once a resident fills out and submits this application, an interview is scheduled with the B&C's County Council liaison, the relevant staff liaison, and the B&C Chair. After the interviews, the applicants' names are presented to the full Council during a regularly scheduled Council meeting, where a vote is taken regarding the appointment of each applicant. Each applicant will be notified if they are appointed or not.

Only on-line applications will be considered.

If you are interested in applying for Labor Relations Board, please contact Denise Cassel at 505-662-8047.

Transportation Board

Interests & Experiences

Which Boards would you like to apply for?

Transportation: Submitted

Why would you like to serve on this particular Board or Commission?

Finishing my first two year term and seek reappointment, especially continuing as liaison with Tourism Task Force.

What volunteer or professional activities have you participated in that could apply to this appointment?

Volunteer with Los Alamos Historical Society as a tour guide. In the past, served on Open Spaces and Trails subcommittee of Parks, Recreation, and Open Spaces. Retired from 35 years of operating a guided van tour service based in Los Alamos.

The time involved may be 10-15 hours per month or more. Are you able to serve the volunteer hours and attend training needed to perform your duties as an appointee?

Yes

What would you like to accomplish during your tenure on this Board or Commission? (Please identify any special interests you have that led you to become interested in serving on this Board or Commission.)

Los Alamos has progressed toward complete streets. All modes of transportation for everyone have been addressed and continue to be of interest. I continue as a strong advocate for roundabouts and road diets, especially keeping the 3-lane striping of Trinity Dr. Between the Hospital and Oppenheimer Dr. As a retired tourism professional, I would be delighted to continue as liaison with the Tourism Task Force.

Have you had any direct or indirect involvement with this Board or Commission or with the County staff supporting this Board or Commission or County Councilors? If so, please explain.

As a T-board member, I have had contact and conversations with Juan Rael and his PW staff. I highly respect their professionalism and knowledge.

Are there any issue or matters, financial or otherwise, that you are now or might become involved in that may come before the Board or Commission for which you seek appointment?

I'm a strong trails and open spaces advocate so some trails issues from the last two years I have been involved with.
