

**Los Alamos County
FY 14 State Legislative Agenda**

Support

- a. Legislation supporting Los Alamos County's application for capital outlay funding to develop a Jemez Mountain regional fire suppression system.
- b. Legislation that enhances affordable housing programs.
- c. Consensus legislative priorities of NMAC and NMML.
- d. Funding for MainStreet/Arts and Cultural District programming.

Monitor

- a. Any changes to municipal revenue legislation, such as proposals for local governments to "swap" GRT distribution for State income tax distribution.
- b. Other legislation directly affecting Los Alamos County and/or its ability to serve its citizens.
- c. Legislation in support of Community Health Council funding.

Oppose

- a. Changes to the state school funding formula that would adversely impact Los Alamos Public School District.
- b. Proposals that would reduce the County's receipt of general GRT revenue.
- c. Legislation that would adversely impact Indigent Health Care revenues received by the County or program provisions that would adversely impact their effective use.
- d. Legislation that would adversely impact Sole Community Provider funding.
- e. Legislation that alters the authority of H-class counties.
