TASK FORCE BUSINESS

Transportation and Mobility Subcommittee Update

Chair Leonard presented the draft Transportation and Mobility Subcommittee presentation.

Task Force Members made comments and asked clarifying questions.

Discuss and Form the Subcommittee to draft interim report

Chair Leonard suggested to the Task Force Members if a subcommittee should be created to work on the interim report. The other option would be to have each subcommittee be responsible for their own piece of the report.

Member Barns asked if there would be an option to extend the due date.

Vice Chair suggested draft reports before asking for an extension.

Member Keller asked clarifying questions regarding draft reports.

Ms. Gurule suggested scheduling the presentation to Council be in late August to allow for more time to complete report.

Chair Leonard suggested that the first draft be ready by Tuesday July 13th, 2021.

REPORTS:

Chair's Report - Katie Leonard

Chair Leonard reminded Task Force Members that Ms. Gurule is looking for members to be appointed to the Trash Study.

She also reminded Task Force Members that the Farmers Market Tabling has started.

Chair Leonard reminded Task Force Members that Laura Paskus will have her lecture "New Mexico's Changing Climate" on Thursday July 8th, 2021, at 7:00 pm. This will be available online.

There is also a Seminar "Science on Tap: Using Fuel Cells to Keep on Truckin'" on Monday June 21, 2021, from 5:30pm – 7:00pm.

Chair Leonard was unable to attend the Council Meeting but did send a thank you letter for allowing them to join the Santa Fe Sustainability.

Council Liaison Report– Councilor Ryti

Councilor Ryti let the Task Force members know that Transportation Board is looking for members.

The Governor has announced that the Covid restrictions will be removed effective July 1st, 2021.

There will be a concert on July 2nd, 2021, and that will be a good opportunity to meet more people in a public setting.

On Thursday June 24, 2021, there will be a meet and greet for the 3 candidates that are in the running for the CMO Position and interviews will be held on Friday June 25th.

Councilor Ryti suggested adding the drawdown of the aquifer. He noticed that this was not included.

Councilor Ryti attended the quarterly Santa Fe Coalition via Zoom. He informed the Task Force members about programs that are offered to help the public. Some of the items discussed are statewide based, but there are some other programs that would work in Los Alamos.

He also notified the Task Force Members that LANL was commissioning a Transportation Study that would allow more commuter busses to be used.

Councilor Ryti also commented the draft reports. He suggested that the Task Force Attend the Council Work Session on August 24th, 2021. instead of a regular meeting.

Councilor Ryti notified the Task Force that the Council will be clarifying their charger at the end of the month based on the Openings Acts Policy. There should not be a change to this Task Force as they allow people to attend via Zoom.

INFORMATIONAL ITEMS

Ms. Gurule offered to share her notes from attending the Santa Fe Coalition Meeting.

Chair Leonard asked if she would be allowed to attend these meetings. Ms. Gurule has sent an e-mail regarding this and will get back to Chair with that information.

Member Daly asked if she could access the resource documentation from the Santa Fe Coalition. Ms. Gurule will investigate that.
