6. Reports

A. Chair's Report - Katie Leonard

Chair Leonard met the LA Public Schools. They are very interested in joining in on sustainable practices, they are asking for guidance on this in the future. The schools are also willing to allow information to be shared via the staff and parent newsletters. Chair Leonard also has obtained contact information for the district Parent Association.

Chair Leonard reminded Task Force about the following dates:
October 27th - Town Hall Wednesday October 27th starting at 5:30. She would like everyone to arrive at 4:30 to help set up and stay after to help clean up. She would like to encourage Task Force Members to extend personal invitations to people they know. Chair Leonard will give the same presentation that was presented to Council. There will be handouts and feedback cards for attendees. Mask will be mandated.

November 5th - RES Meeting - Subcommittee priorities need to be ready.

November 5th - Member Keller will be opening his home to the community for a green home tour from 6:00 - 7:00 pm.

November 6th - Member Keller will be opening his home to the community for a green home tour from 2:00 - 3:00 pm.

December 3rd - RES - Chair Leonard will need a list of budget items to present to County Council.

December 3rd - RES Meeting - The next draft of subcommittee recommendations will be to be due.

December 14th - Budget items are due to County Council.

December 17th - RES Meeting will be to discuss the draft subcommittee recommendations.

Chair Leonard notified the Task Force that she has given a presentation to the Transportation Board and the Environmental Sustainability Board. She will present to Department of Public Utilities Board on November 17th,

2021.

B. Vice Chair's Report - Robert Gibson

C. Subcommittee Reports

None

D. Council Liaison Report - Councilor Ryti

Councilor Ryti mentioned that Utilities is going through a study to look at energy needs and options.

Councilor Ryti provided an answer regarding subsidies, he discussed this with the Los Alamos County Attorney, and responded that in the state of NM there is not an anti donation clause exception to use regular funds for loans or guaranteeing loans. There is an exception for income qualifying people who can obtain the home improvement loan.

Chair Ryti toured the Canyon Walk Apartments, there are 70 apartments which will be income qualified and are all electric.

Chair Ryti has also heard comments on interest for community composting, and Environmental Services has provided home composting kits to residents. There is also an interest in community gardens and if possible, certain water rates for that.

Chair Ryti notified the Task Force that he will be attending the COP 26 Conference from November 4th - 15th, he will provide information when he returns.
