Body

Earlier this year under recently passed legislation in HB407, the County Council appointed a Board of Registration in June 2019. Since that time, three members of the Board have resigned. This item is to fill the three vacancies on this Board. The term for these vacancies is July 1, 2019 to June 30, 2021.

Also, it may be worth noting the following is stipulated in regards to membership:

-- Members of the board of registration shall not during their service be county employees, elected officials or candidates for public office, and not more than two members of the board of registration shall be members of the same political party at the time of their appointment; provided that: (1) a member of the board of registration shall not have changed party registration in the two years next preceding the member's appointment in such a manner that the member's prior party registration would make the member ineligible to serve on the board of registration; and (2) a member of the board of registration shall not continue to serve on the board of registration if the member changes party registration after the date of appointment in such a manner to make the member ineligible to serve on the board of registration.

The current Board of Registration is:

1. Cameron Counters [D]
2. Dave Schiferl [D]

Therefore, no additional registered Democrats can be appointed to the Board.

A general call for interested parties was advertised and the local political parties were also notified. The Nominees and their political affiliation are shown below:
