County Manager's Recommendation

The County Manager recommends that Council introduce this Ordinance.

Body

Los Alamos County Council approved Ordinance No. 02-313 on May 25, 2022, which adopted the 2021 edition of the International Fire Code. Adoption of this code assists the Fire Marshal's office in evaluating the minimum requirements of fire and life safety considering today's demands and allows for congruent messaging to our customers between the building and fire codes. In recent review of the adopted code it was found that corrections to references are needed in Section 22-31(a)(1). Amendments to sections of the previously adopted code are introduced in this amended Code Ordinance No. 02-337.

Public Hearing Scheduled for: February 28, 2023

Alternatives

Continue to utilize the Ordinance, without the amended content.
