Title

2014 State Legislative Agenda

Suggested Motion

I move that Council adopt the 2014 State Legislative Agenda.

Administrator's Recommendation

The County Administrator recommends that Council approve the motion as presented.

Body

Each year, Council adopts a State Legislative Agenda. This document is used as a guide for our intergovernmental efforts. The State Legislative Agenda provides direction from the County Council to staff and our legislative support contractor when working with various State officials and entities, providing for a consistent voice in our messaging. The 2014 Legislative Session commences on January 21 and is scheduled for 30 days.

As in the past, when setting the County's State Legislative Agenda, four broad sources are used for determining priority areas. These sources include:

- Regional, state, and national organizations identified priorities (see attached NMAC and NMML agendas);
- Staff recommended issues;
- County intergovernmental priorities; and
- Review of state and federal budgets.

Fiscal and Staff Impact/Planned Item

This year's agenda includes maintaining the County's current GRT revenue receipts.
