Consideration of Community Development Advisory Board Recommendations

### **Recommended Action**

I move that Council prioritizes Code Enforcement activities to Health and Safety issues until Chapter 18 has been updated and adopted. Additionally, I move that Council direct the County Manager to begin addressing the recommended items for the department mentioned in the presentation, and direct the Community Development Advisory Board add the recommended items in the presentation to their 2021 work plan.

### **Body**

Included was two potential votes, however, the second recommended vote was decided through the County procurement process.
