Title

"First Snow" Placement

Recommended Action

I move that the APP board recommend a new location of "First Snow" to a location within the Municipal Building on the first floor, and order a new plaque for the location, not to exceed \$100

Body

"First Snow" is a painting of the original Los Alamos County Municipal Building at Ashley Pond. It has been in storage for several years, and the board feels that this piece should be displayed in the new Municipal Building on the first floor, near room 110 or within the lobby of Community Development.
