Title

"The Boys of Pajarito Plateau"

Recommended Action

I move that the APP board pursue alternative locations for the painting and gather public comments and feedback on the painting purchase and location.

Body

"The Boys of Pajarito Plateau" painting by Jeff Segler was return to the APP Board by Council on Sept. 29th, and was not approved for purchase. County Council asks the APP Board to seek an alternate location for the painting and to seek public comment on the purchase of the painting and its alternate location. From the last APP meeting, Member Mackey accepted the assignment of brainstorming other possible locations for the painting.
