County Manager's Recommendation

Body

If approved by Council, the County will enter into a long-term relationship with PAC-8 for continued cablecasting of County Council meetings, along with general support for the local community cable television station. Alternatives

The Council could choose not to approve the contract and services with PAC-8, including cablecasting Council Meetings on Tuesday evenings, would end after Nov. 10, 2020

Fiscal and Staff Impact/Planned Item

The budget for FY21 was planned for PAC-8 and is within the Contractual Services line item of the PIO's budget.
