LACHC AdHoc Committees Updates by LACHC Liaisons:

BabyNet: Carie Fanning

May’s BabyNet meeting was centered on a discussion about the status of services regarding health care for women and children in Los Alamos, as well as services BabyNet would like to see available in the future. The goal of this discussion was to assist the Health Council in the process of making its health goals for the County. BabyNet plans to continue this discussion in upcoming meetings. A spreadsheet has been included that outlines available and unavailable services, along with comments and questions regarding quality of care. Anyone is welcome to attend BabyNet. BabyNet meets on 3rd Tuesdays from 1:00 to 2:00. Email fnsn@lafsn.org <<mailto:fnsn@lafsn.org>> for more information.
