
General Information

All County Board and Commission members must be residents of Los Alamos County. Lodgers' Tax Advisory Board members, except the at-large community member, do not need to be residents if they are employed/represent an attraction or hotel.

Once a resident fills out and submits this application, an interview is scheduled with the B&C's County Council liaison, the relevant staff liaison, and the B&C Chair. After the interviews, the applicants' names are presented to the full Council during a regularly scheduled Council meeting, where a vote is taken regarding the appointment of each applicant. Each applicant will be notified if they are appointed or not.

Only on-line applications will be considered.

Note: Please be aware that as a public entity, the County of Los Alamos, is obligated to furnish this information to the public if requested.

Interests & Experiences

Why would you like to serve on this particular Board or Commission?

A lack of affordable, desirable housing in our county makes finding and retaining essential workers a real challenge. Labor and delivery services at LAMC are discontinuing effective June 27th. This in the wealthiest county in New Mexico. This in a county that rates at the top of US News and World Reports healthiest communities. Housing is a critical issue in helping to recruit and maintain the health professionals we need.

#	Question/Documented Response
1	Please tell us a little about yourself, especially your experience and background related to this board/commission. Not directly With the Health Council. Family has used local providers, and have had some issues with wife's services and specialties out of county. Another voice from a different. Board Member with Family Council and learned about their services and challenges. Consider mental health one of the key issues in town. 20 years as driver, trucking company, logistics and equipment. Transportation industry. Worked in construction and understands affordable housing issues. Attractive to providers/workforce housing to eliminate the commute and make us a health care destination.
2	Why would you like to serve on this board/commission? Would like to serve as an opportunity on one of the significant councils that needs to be fully represented by community members. Because of scope of work and mission, feels like he can supplement areas that aren't currently being covered. Not required to have a healthcare background.
3	What do you believe are the major issues facing this board/commission? Mental health services, OB-GYN, transportation is critical for a lot of folks to get to appointments. Population of community is aging. Behavioral and physical issues are important. Facilities at LAMC are outdated. Needs refurbishment. How to use space now and a holistic approach.
4	<i>Insert a board/commission specific question here.</i> What do you think are the major health and wellbeing issues facing the State? A lot of the same issues the rest of the country Is facing. Bringing more practitioners to State. Working on legislation and interstate compacts. A lot of rural communities that can't support medical services. A logistical challenge to get doctors and practitioners out to rural.
5	What do you feel you could contribute to this board/commission? Team player, unique perspective based upon a design Background, work well with others.

6	What other community and/or civic activities have you been involved in? Family Council Board, Board at Little Forrest Preschool, Sheriff for 4 years (2018-2022), Middle school kid and Joe has been involved with the GAT program and the needs end of that Population. Also involved in sports. Conditions of playing field, coaching skills, social, emotional, physical development. Coaches to get involved in suicide prevention and behavioral health. Working with gifted children. Son is adopted—heritage camp (cultural orientation).
7	Do you have any questions about the expectations included in the application? Explained the requirements and optional items that we can be involved in. Talked about CHP, directory, outreach/tabling, CHAP, articles, other projects and liaison opportunities. Whatever your interests might be. Told about ties at a regional level that have scope and funding that come to LA County. 3 Regional Boards: Economic Development, Regional Development, Workforce Development. Tied to LA—i.e. RTD.
8	Do you have any other questions for the interview panel? One of the areas he worked in was universal design. Most functionality For the most types of people.
