Except as exclusive obligations and remedies are expressly provided for in this Agreement, the parties' rights and remedies under this Agreement are cumulative. County acknowledges that the Public Art Archive Collection Management System Service contains valuable trade secrets, Intellectual Property and other proprietary information of CREATIVE WEST, that any actual or threatened breach of Section S of this Agreement will cause immediate and irreparable harm to CREATIVE WEST for which monetary damages would be an inadequate remedy, and that injunctive relief without necessity of any bond being posted is an appropriate remedy for such breach. If any legal action is brought by a party to interpret or enforce this Agreement, then the prevailing party will be entitled to receive from the other party its reasonable attorneys' fees and court costs, in addition to any other relief it may receive.

SECTION S. SECURITY AND PRIVACY:

3. **Security Warranty.** CREATIVE WEST warrants that the Public Art Archive Collection Management System Service will be compliant with SSL (secured sockets layer) protocols that encrypt communication between the server and the user's browser (the "Security Warranty"). If CREATIVE WEST breaches the Security Warranty, then CREATIVE WEST will do the following as County's sole remedy: (a) defend County against any third-party claims arising out of and proximately caused by the breach of the Security Warranty; and (b) indemnify and hold harmless County from all damages, including claims by third party claimants, arising out of and proximately caused by the Service to the extent such damages both arise out of and are proximately caused by a breach of the Security Warranty.

In such event, the non-performing party may be excused from any further performance or observance of the obligation(s) so affected for as long as such circumstances

ATTACHMENT A

prevail and such party continues to use its best efforts to recommence performance or observance whenever and to whatever extent possible without delay.

Contractor further agrees that it shall not employ any person having such an interest to perform Services under this Agreement. No County Council member or other elected official of County, or manager or employee of County shall solicit, demand, accept, or agree to accept, a gratuity or offer of employment contrary to Section 31-282 of the Los Alamos County Code.

SECTION X. TERMINATION:

1. **Generally.** Either Party may terminate this Agreement for any reason upon ninety (90) days prior written notice to the other party. Contractor shall render a final report of the Services performed to the date of termination and shall turn over to County originals of all materials prepared pursuant to this Agreement. Either party may terminate this Agreement if the other party breaches any material provision of the Agreement and does not cure such breach within thirty (30) days after receiving written notice thereof. Upon termination, Contractor shall be paid for Services actually completed to the satisfaction of County at the rate set out in Section D. Upon termination, Contractor shall refund any prepaid fees covering the remainder of the Term after the effective date of termination.
