4. **Cyber Liability/Security Breach Insurance.** WESTAF presently has and will use commercially reasonable efforts to maintain liability insurance which provides coverage for breaches of the Security Warranty affecting the Service with limits of liability of at least \$1,000,000 per claim and \$1,000,000 on an annual aggregated basis (the "Breach Liability Coverage"). The parties intend and agree that WESTAF's obligations and liability and County's rights under this Section 8 are limited solely to amounts actually available under the policies of Breach Liability Coverage maintained by WESTAF.

SECTION Q. FORCE MAJEURE: Neither County nor Contractor shall be liable for any delay in the performance of this Agreement, nor for any other breach, nor for any loss or damage arising from uncontrollable forces such as fire, theft, storm, war, or any other force majeure that could not have been reasonably avoided by exercise of due diligence.

Upon such termination, Contractor shall be paid for Services actually completed to the satisfaction of County at the rate set out in Section C. Upon termination, Contractor shall refund any prepaid fees covering the remainder of the term after the effective date of termination. Contractor shall render a final report of the Services performed to the date of termination and shall turn over to County originals of all materials prepared pursuant to this Agreement. Either party may terminate this Agreement if the other party breaches any material provision of the Agreement and does not cure such breach within thirty (30) days after receiving written notice thereof.
