- Construction Ongoing
- Scheduled Completion October 31, 2026

LOS ALAMOS

A free family-friendly event celebrating aviation, local entrepreneurship, and community partnerships. Visitors will have the opportunity to explore aircraft on display, meet local pilots and aviation organizations, learn about the airport's role in emergency response and public safety, visit exhibits from home-based businesses, and enjoy hands-on activities for children. Join us to see how the airport supports our community through aviation, innovation, education, tourism, and emergency service, all while providing a fun and engaging experience for all ages!
