WHEREAS, on **June 17, 2025**, the State Board of Finance awarded the Grantee **\$795,385** for enhanced 911 services and equipment.

NOW, THEREFORE, the Parties agree as follows:

ARTICLE I - LENGTH OF GRANT AGREEMENT

A. Unless terminated earlier pursuant to Article IV herein, the term of this Grant Agreement, upon being duly executed by the Division, shall be from **July 1, 2025**, through **June 30, 2026**.

B. In the event that, due to unusual circumstances, it becomes apparent that this Grant Agreement cannot be brought to full completion within the time period set forth in

Paragraph A above, the Grantee shall so notify the Division in writing at least thirty (30) days prior to the termination date of this Grant Agreement, for the purpose of allowing the Grantee and the Division to review the work accomplished to date and determine whether there is need or sufficient justification to amend this Grant Agreement and to provide additional time for completing the same. The Division's decision whether or not to extend the term of this Grant Agreement is final and non-appealable.

ARTICLE II – REPORTS

- A. PSAP Annual Report: No later than June 30th of each year, the Grantee shall submit to the Division a PSAP Annual Report, in the form attached hereto as Exhibit A, as may be changed from time to time upon the Division's written notice to the Grantee. The PSAP Annual Report shall include information described in Section 10.6.2.11.D NMAC, of the E-911 Rules, and any such other information as the Division may request, in sufficient detail to evaluate the effectiveness of the 911 equipment and services provided by the equipment vendor.
- B. Federal 911 Resource Center Report: No later than January 30th of each year, the Grantee shall submit to the Division a Federal 911 Resource Center Report, in the form attached hereto as Exhibit B, as may be changed from time to time upon the Division's written notice to the Grantee.

ARTICLE III - CONSIDERATION AND METHOD OF PAYMENT

- A. In consideration of the Grantee's satisfactory completion of all work, purchase and maintenance of the equipment and services required to be performed in compliance with all the terms and conditions of this Grant Agreement, the Division shall pay the Grantee a sum not to exceed **\$795,385** from the Enhanced 911 fund in accordance with Article III (D). The funds are to be expended in accordance with the approved Expenditure Budget ("Budget"), attached to and incorporated by reference as Exhibit C, and in accordance with Section 10.6.2.11 NMAC of the E-911 Rules, "PSAP Equipment, Acquisition, and Disbursement of Funds." It is understood and agreed that the Grantee's expenditure of these monies shall not deviate from the line items of the Budget without the prior written approval of the Division, and the funds shall not be expended for ineligible costs via Section 10.6.2.11(F) NMAC of the E-911 Rules.
- B. The funds mentioned in Paragraph A above shall constitute full and complete payment of monies to be received by the Grantee from the Division.
- C. It is understood and agreed that if any portion of the funds set forth in Paragraph A above is not expended for the purpose of this Grant Agreement, after all conditions of this Grant Agreement have been satisfied or it has been demonstrated that the conditions of the Grant Agreement, for whatever reason, cannot be satisfied, the unexpended funds shall be reverted by the Division in accordance with the Act and the E-911 Rules.
- D. Pursuant to NMSA 1978, Section 63-9D-8, as amended, payments will be made from the Enhanced 911 fund to, or on behalf of, participating local governing bodies or their fiscal agents upon vouchers signed by the director of the Division solely for the purpose of reimbursing local governing bodies or their fiscal agents, commercial mobile radio service providers or telecommunications companies for their costs of providing enhanced 911 service.
- E. Payments may be made by the Division as follows: 1) on behalf of the Grantee to telecommunications companies, vendors and equipment providers; or 2) reimbursements to

the Grantee for actual costs or expenditures after the Division receives a completed Request for Payment Form, or an invoice certified correct by the Grantee and/or the Division for the E-911 equipment, equipment maintenance, and upgrades billed by the equipment provider. All purchases made by the Grantee for equipment, equipment maintenance, and upgrades require prior written approval by the Division to be eligible for reimbursement.

F. Payments will not be made to the Grantee for work, equipment, maintenance or services not specified in this Grant Agreement or in violation of or ineligible under the E-911 Rules.

ARTICLE IV - MODIFICATION, TERMINATION AND MERGER

A. Early Termination. Except as provided in Article IV (D) below, this Grant Agreement may be terminated by either Party upon written notice delivered to the other party at least thirty (30) days prior to the intended date of termination. Except as otherwise allowed or provided under this Grant Agreement, the Division's sole liability upon termination shall be to pay for eligible budget items purchased prior to the Grantee's receipt of the notice of termination, if the Division is the terminating party, or upon the Grantee sending a notice of termination, if the Grantee is the terminating party. A notice of termination will not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Grant Agreement. The Grantee shall submit an invoice for such eligible budget items within thirty (30) days of receiving or sending the notice of termination. Notwithstanding the foregoing, this Grant Agreement may be terminated immediately upon written notice to the Grantee if the Grantee becomes unable to or fails to perform the terms of this Agreement, as determined by the Division or if, during the term of this Grant Agreement, the Grantee or any of its officers, employees or agents is indicted for fraud, embezzlement or other crime due to misuse of state funds or due to the Appropriations paragraph herein. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE DIVISION'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE GRANTEE'S DEFAULT/BREACH OF THIS GRANT AGREEMENT, INCLUDING BUT NOT LIMITED TO, RETURN OF MISSPENT GRANT FUNDS BY THE GRANTEE TO THE DIVISION.*

B. Termination Management. Immediately upon receipt by either the Division or the Grantee of a notice of termination of this Grant Agreement, the Grantee shall: 1) not incur any further obligations for expenditure of funds under this Grant Agreement without written approval of the Division; and 2) comply with all directives issued by the Division in the notice of termination as to the performance under this Grant Agreement.

C. This Grant Agreement incorporates all agreements, covenants and understandings between the parties concerning the subject matter of this Grant Agreement and all such agreements, covenants and understandings have been merged into this written Grant Agreement. No prior agreements, covenants, or understandings oral or otherwise, of the parties or their agents shall be valid and enforceable unless embodied in this Grant Agreement.

D. The terms of this Grant Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of the Grant Agreement. If sufficient appropriations and authorizations are not made by the Legislature, the Division may *immediately* terminate this Grant Agreement, in whole or in part, regardless of any existing legally binding third-party contracts entered into by or between the Grantee and a third party, by giving the Grantee written notice of such immediate early termination. The Division's decision as to whether sufficient appropriations are available shall be final and non-appealable. The Grantee shall include a substantively identical clause in all contracts between it and third parties that are (i) funded in whole or in

part by funds made available under this Grant Agreement and (ii) entered into between the effective date of this Grant Agreement and the termination date or early termination date.

ARTICLE V - CERTIFICATION

The Grantee assures and certifies that it will comply with all state laws, the E-911 Rules, and all other laws, rules, policies and procedures with respect to the acceptance and use of State funds. Further and without limiting the foregoing, the Grantee gives assurances and certifies with respect to the Grant that:

- G. It agrees and acknowledges that all GIS data provided to the Division's statewide dataset in support of the E-911 program is public data and shall be shared with other governmental agencies.
- H. It will finance any amount exceeding the approved funding for the 911 equipment costs.
- I. It will not make any changes in the E-911 system configuration without first submitting a written request to the Division and obtaining the Division's written approval of the proposed change(s).
- J. It will provide to the Division documentation of total insurance coverage for all hardware and software and other equipment purchased with E-911 funds. Insurance should, at a minimum, cover non-routine maintenance defects including, but not limited to, all acts of God, floods, fire, lightning strikes and water damage.
- K. It will provide all the necessary qualified personnel, material, and facilities to run the E-911 PSAP.

“This contract is funded in whole or in part by funds made available under a Department of Finance and Administration, Local Government Division (Division) Grant Agreement. Should the Division or the County of Los Alamos terminate the Grant Agreement, the County of Los Alamos may terminate this contract by providing the Contractor written notice of the termination in accordance with the notice provisions in this contract.
