May 14, 2026

# Main Pool Re-Plaster Update

- March 2, 2026 - The Replaster Project started on time.
- Crews have removed old plaster and tiles

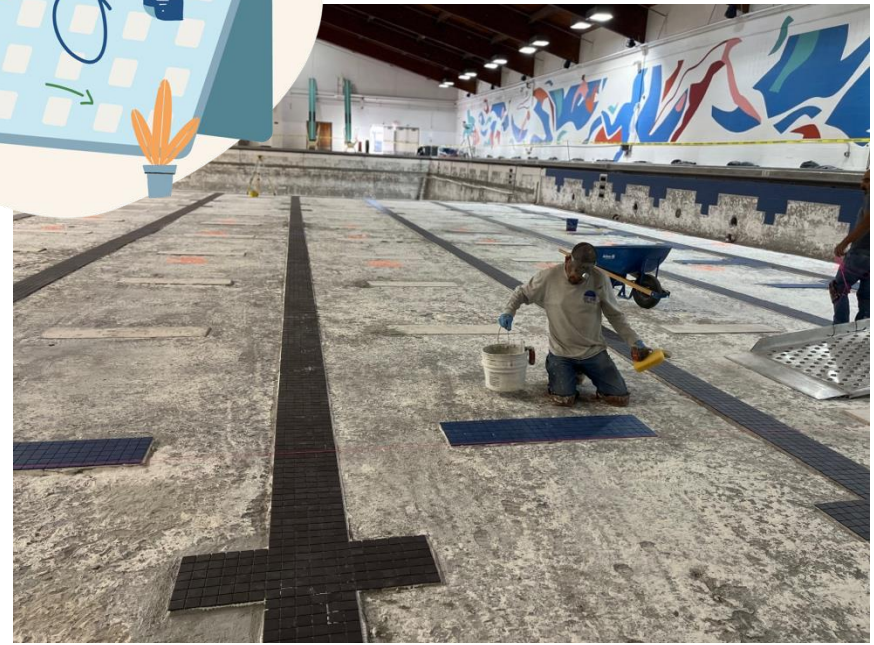

- Minor issues found and being addressed.

- No major issues were found with the concrete foundation.
- In April:
- Crews started laying new tile
  - This is all done by hand

# On Schedule

# Pinon Park Pool Update

- Secured Lease with Pinon Park Pool property owner March 21, 2026.
- Since March 27, 2026 staff has been working to clean up the property, review and start equipment.

## What have we been doing?

- Updated all Locks to the facility
- Cleaned and organized all storage areas
- Cleaned and organized the front office area
- Cleaned the pool
  - 2 inches of muck on the bottom of the pool
- Replace VGBA anti-entrapment drain covers
- Removed debris and brush from the property
- Filled the Pool mid-April
- Have met with LAFD for Code Compliance
- Have had preliminary State Inspection for operation

## What are the issues we have found?

- Discovered a few gas leaks
  - Resulting in a Red Tag
  - Requiring State Inspection before resuming
- Boiler and water heater repairs
- Needed New Filters
- Need for Handicap Access
  - Into Facility
  - Into Water
- Actual Emergency Exit
- Various Mechanical Issues

How does it look like now?
