Re: Liquor License Application # BLA-0000015487

Chief Sgambellone

After receiving the liquor license application for SALA Los Alamos Event Center LLC, located at 2551 Central Avenue, Los Alamos, New Mexico, I conducted a review of the property and associated activity. The following findings were identified:

From January 1, 2025, through February 18, 2026, there have been ten (10) Calls for Service (CFS) associated with the location. None of these calls were related to alcohol violations, alcohol-related disturbances, alcohol-related criminal activity or other incidents of violence.

The nearest school to the establishment is Los Alamos Bilingual Montessori School, located at 3500 Trinity Drive, Los Alamos, New Mexico, which is approximately 2,297 feet from the premises. The nearest church is Los Alamos United Church, located at 2545 Canyon Road, Los Alamos, New Mexico, which is approximately 673 feet away. The nearest military installation is Kirtland Air Force Base, located approximately 100 miles from the premises.

Based on the information reviewed and the absence of alcohol-related calls for service, the Los Alamos Police Department has no objection to the liquor license application submitted by SALA Los Alamos Event Center LLC.

Thank you,

Commander Chris Ross
