

General Information

All County Board and Commission members must be residents of Los Alamos County. Lodgers' Tax Advisory Board members, except the at-large community member, do not need to be residents if they are employed/represent an attraction or hotel.

Once a resident fills out and submits this application, an interview is scheduled with the B&C's County Council liaison, the relevant staff liaison, and the B&C Chair. After the interviews, the applicants' names are presented to the full Council during a regularly scheduled Council meeting, where a vote is taken regarding the appointment of each applicant. Each applicant will be notified if they are appointed or not.

Only on-line applications will be considered.

If you are interested in applying for Labor Relations Board, please contact Mary Tapia at 505-662-8040.

4 Now that you've served on this board or commission, how do you perceive the role of County Boards and Commissions in local government? Do you have suggestions for better operation of this board or commission? Of operations of the Board and Commission system in general?

I feel like this is the grassroots bridge + I like it. "We can do the legwork" to help Council in their initiatives.

Revised 2/12/18

5 Based on your experience serving on this board or commission, please share your thoughts on the communication methods between this Board and Council? How can we improve?

Communication has been through Staff, but with changes it was a bit murky. I'm hoping with full Staff that it improves.

6 Have you attended any training sessions related to your duties and responsibilities as a board member? Is there any training that you feel the County could provide to improve the effectiveness or efficiency of the board or commission system, as a whole, or of board or commission members individually?

I attended a training with a lawyer regarding conflict of interest. Going over Council of orders would be great for training. I'd also like to know how we can plug into local initiatives.

7 What suggestions/comments would you like to offer in connection with your Board or Commission service so far?

I am looking forward to the board being active and hopefully grow budget to make a difference.
