

General Information

All County Board and Commission members must be residents of Los Alamos County. Lodgers' Tax Advisory Board members, except the at-large community member, do not need to be residents if they are employed/represent an attraction or hotel.

Once a resident fills out and submits this application, an interview is scheduled with the B&C's County Council liaison, the relevant staff liaison, and the B&C Chair. After the interviews, the applicants' names are presented to the full Council during a regularly scheduled Council meeting, where a vote is taken regarding the appointment of each applicant. Each applicant will be notified if they are appointed or not.

Interests & Experiences

Why would you like to serve on this particular Board or Commission?

As an undergraduate at Iowa State I participated in volunteer work for the performing arts and film. The requirements for grad school and then the beginnings of my career took the majority of my free time leaving me little time for volunteer work. I'm now at a place in my life and where I would like to resume volunteerism and saw this board as a possible way to accomplish that goal.

What would you like to accomplish during your tenure on this Board or Commission? (Please identify any special interests you have that led you to become interested in serving on this Board or Commission.)

Given that I have little experience with this board it would be hard for me to estimate what would be possible to accomplish. I can say, though, that I have always appreciated art in general and that while not everyone will enjoy every piece of art, there is a piece of art out there for everyone. I would want my tenure on the board, in that case, to help facilitating people's exposure to art, in the hopes that they might find something they enjoy.

Have you had any direct or indirect involvement with this Board or Commission or with the County staff supporting this Board or Commission or County Councilors? If so, please explain.

Yes, through the AIPPB participation

What volunteer or professional activities have you participated in that could apply to this appointment?

As a manager at the laboratory, I have overseen several multi-year, multi-million dollar projects. Ensuring success in these projects has required me to manage budget, resources, and interface with people from all walks of life. The last part being the most challenging as it requires gathering consensus with all involved parties so as to deliver the desired outcome on-time and in-budget.

The time involved may be 10-15 hours per month or more. Are you able to serve the volunteer hours and attend training needed to perform your duties as an appointee?

I believe that I can meet the 15 hour/ month commitment and I am expecting that at times it will likely be more. I am willing to attend training as necessary for the appointment.

Are there any issue or matters, financial or otherwise, that you are now or might become involved in that may come before the Board or Commission for which you seek appointment?

There are not.
